## Tote User Instructions

Our versatile Tote is a multi-functional tote that clips to your beach chair to keep your hands free to ride a bike, skateboard or hold your child's hand.

The Tote exterior is made with the 600x300 denier fabric, which is UV and water resistant treated to protect it from the elements of Sand, Sun and Sea. A rugged heavy-duty Tote.

Other features include, handle and shoulder straps, zippered pocket for your valuables, a snap ring clip to keep your keys in an easy to find safe location.

The Tote provides four options to carry it:

- Mount it to your beach chair
- Use the shoulder strap
- Use the handle
- Mount it to your Bike handlebars

*NOTE: Load your Tote before attaching to your beach chair.*
